

Joyce turns 102 at Princess Christian Care Home

On Thursday 27 October we celebrated our special resident Joyce's 102nd birthday here at Princess Christian Care Home.

It started off with **'hair and makeup'** and then she had a lovely **visit from her daughter-in-law Jenny**.

After lunch we took Joyce outside to see all the lovely animals brought to our Home via a **mobile farm**. We chose this as Joyce is an animal lover, with a particular fondness for horses.

She and our other residents had some **wonderful cuddles with all the animals** and then she had a surprise **visit from the Mayor of Woking** who came to wish her many happy returns of the day! He asked her the secret of a long life and she replied *"Have fun and enjoy yourself!"*.

We all sang 'Happy birthday' to our wonderful birthday girl and she enjoyed the **beautiful birthday cake made by our Kitchen Team**, sharing it with staff and other residents.

She said what a wonderful birthday she had had and thanked us all – *what a star!*

Huge happy birthday Joyce, from all your friends at Princess Christian.
