

Kebab creations with Cosmin at Princess Christian Care Home

Our lovely Trainee Chefs enjoyed another Cooking with Cosmin class recently here at Princess Christian Care Home.

John, Jan, Len and **Margaret** all worked very hard at chopping peppers, onions and courgettes to make some very **tasty chicken kebabs**, with Cosmin and staff on hand giving pointers and tips.

The finished kebabs looked fantastic – *well done to our amazing trainees!*

The kebabs looked very professional
