

Macmillan coffee afternoon at Princess Christian Care Home

Last week at Princess Christian Care Home we held our annual Macmillan coffee afternoon, which we always look forward to arranging.

We had a **delicious array of goodies** on offer – from **shortbread cookies** to **Swiss rolls** and melt-in-your mouth **muffins**. Our Chefs also made some stunning green-iced **cupcakes** for the occasion. *Yum!*

We held a **raffle** and welcomed the **wonderful Haley** into our Home to sing for us.

Everyone had a super time while supporting a very worthy cause.
