

Making Chinese decorations at Princess Christian Care Home

Here at Princess Christian Care Home our residents have been busy getting ready for Chinese New Year; 2024 is the 'Year of the Dragon' – representing authority, prosperity, and good fortune.

Our ladies and gents painted a very **colourful dragon** and made **Chinese rattle drums** which they had great fun using!

We are all looking forward to Friday this week when we shall celebrate Chinese New Year with music, tasty treats as well as a themed photoshoot.
