

Many happy returns to Barbara at Princess Christian Care Home

Our lovely resident Barbara in our Pirbright Unit at Princess Christian Care Home celebrated her 88th birthday on Sunday 7 February.

She is currently isolating, so we made sure we made a lovely fuss of her and made her day special. She was very pleased with her **beautiful birthday cake**, made by our wonderful catering team. It was decorated with fresh strawberries and drizzled with chocolate; she said it *"tasted most delicious!"*

Happy birthday Barbara!
