

Mexican Week at Princess Christian Care Home

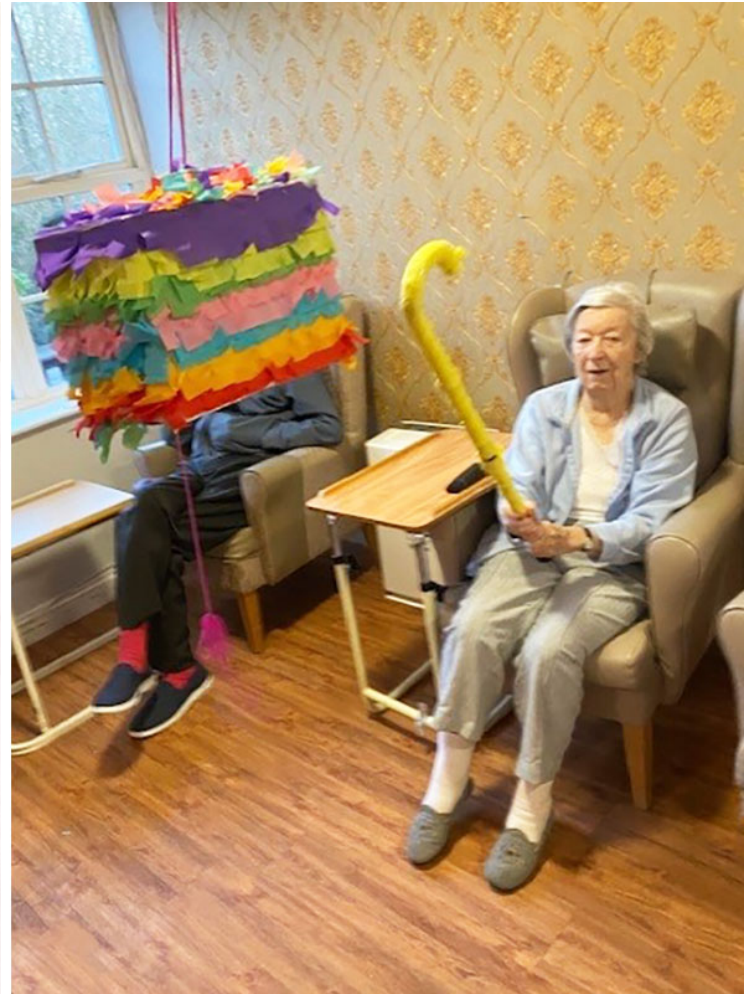

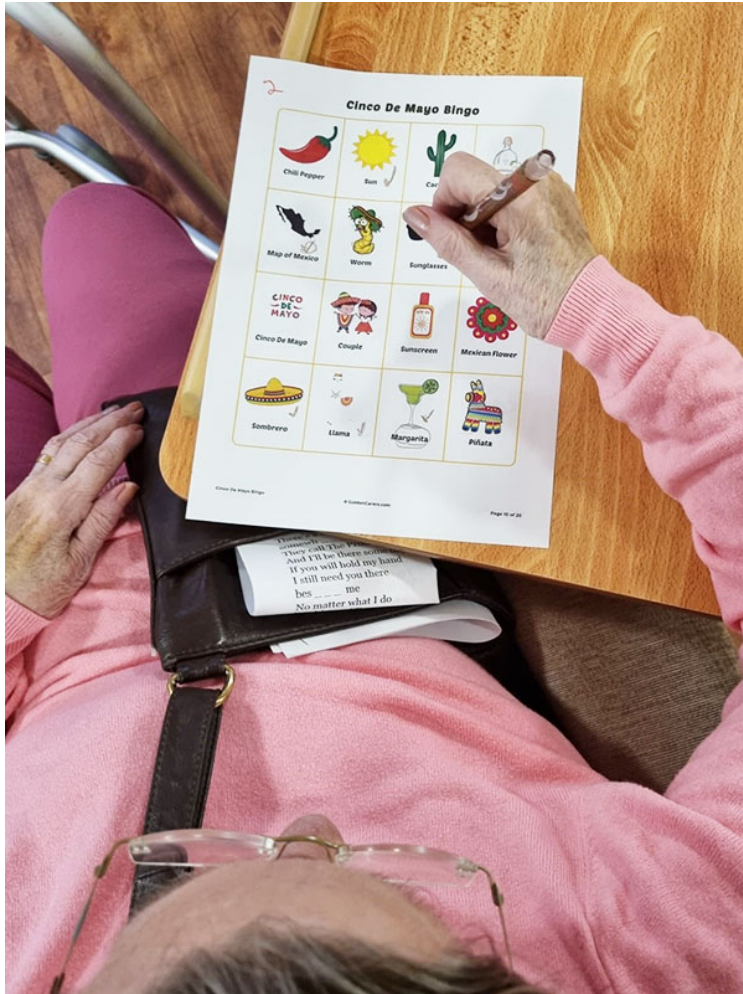

We all enjoyed a fantastic time on our Nellsar virtual mini cruise to Mexico here at Princess Christian Care Home.

Our Mexican Week was packed with fun themed activities; as well as our **Chef's Mexican inspired Cooking Club**, we also played **Mexican bingo** with lots of winners!

We had great fun with our **homemade piñata** and our ladies and gents all had a go at bashing it with walking sticks. After lots of laughter and effort it finally burst after our Activities Team member Abi hit it! Everyone was treated to chocolate and sweets which was great fun.

We are already looking forward to visiting our next destination in February – *onwards to Egypt!*

Mexican themed picture bingo and our colourful piñata!
