

More hippo fun and Namaste pampering at Princess Christian Care Home

Our homemade Hungry Hippo game is proving very popular here at Princess Christian Care Home!

We had another play off yesterday which our residents found hilarious – even our Manager Mario took part. Everyone wears a hippo hat and has the tricky task of scooping up their colour of ball with a net...not as easy as you may think!

We've also started some **Namaste sessions** in our Pirbright Unit and all our residents who took part found it very **relaxing** in the soothing environment, as they **enjoyed some treatments**.

Our Western Day is taking place next week, so watch out for our sheriffs and cowboys! Yeeha!
