

National Pizza Day Cooking Club at Princess Christian Care Home

As it was National Pizza Day last Friday, what else could we create in Cooking Club but pizzas here at Princess Christian Care Home?!

Our residents made a variety of **tastily topped delights** using delicious ingredients such as **olives, sweetcorn, ham** and **plenty of cheese**. Once cooked by our Catering Team they were enjoyed by all.

.... we did notice when they were brought up from kitchen there was a slice missing – our money is on Head Chef Cosmin! Ha!
