

## **Out in the sunshine at Princess Christian Care Home**

**We've been making the most of the sunshine recently at Princess Christian Care Home and have particularly enjoyed exploring our local footpaths.**

We came across a field full of cows on one of our outings, much to the delight of our residents!

Our ladies and gents have really loved getting out into our gardens to enjoy beverages whilst relaxing in the wonderful weather.

*Nothing like sunshine and blue skies to put a smile on our faces!*
