

## **Pancake Day Cooking Club at Princess Christian Care Home**

### **Flipping fabulous**

**We celebrated Pancake Day here at Princess Christian Care Home with a fun-filled Cooking Club session.**

Our **Head Chef Cosmin** put on a dynamic demonstration for a small group of our residents on **Shrove Tuesday on 13 February** – making, baking and flipping pancakes on his mobile hob!

Our dear residents then topped and filled their own pancakes with a choice of jam, Nutella, Biscoff spread, and the classic combination of lemon juice and sugar.

Everyone had so much fun (and full bellies!) by the end of the session and **Chef Cosmin** was more than happy to make a second round of pancakes!
