

Party time at Princess Christian Care Home

Last week at Princess Christian Care Home, we finally hosted our residents' Christmas party, which became our New Years party!

We invited one of our favourite singers, Gareth, to perform for our ladies and gents and they sang and danced along to all their favourite songs. Of course our Manager Mario had his usual little boogie too!

As always, our Chefs prepared a most delicious buffet enjoyed by residents and families members.

Happy New Year everyone!
