

## Partying like Kings and Queens at Princess Christian Care Home

We've had fun and games at Princess Christian Care Home this week, celebrating birthdays with music, karaoke, fancy dress and cake!

### Happy birthday Elvis

We celebrated the rock 'n' roll legend **Elvis Presley's birthday** on Friday 8 January with karaoke sing-a-longs, photo shoots with funny props.

Our residents enjoyed the Elvis quiz and were delighted with a lively karaoke show, thanks to our talented Activities team member Lucy.

Who knew we had so many Elvis fans here – especially our male residents who showed us their Elvis impersonations, which got lots of laughs from the ladies.

### Happy birthday Mary

Our lovely **Mary celebrated her 90th birthday** on Sunday 10 January with a fantastic and delicious birthday cake made by our very talented catering team. Mary received some lovely gifts from family.

Many happy returns Mary!
