

Popular pets at Princess Christian Care Home

Our pets have proved to be very popular here at Princess Christian Care Home and last week we tried out our fluffy bunny Truffle's new harness, much to our residents delight!

Truffle hopped around our Units and was very happy to greet and get cuddles from everyone.

Our lovely resident Sam has fallen in love with **Cookie our Guinea pig**; he has given himself the job of Guinea pig sitting while they are in the lounge and loves daily cuddles.

Here's a wonderful photo of Sam and Cookie together, with some coat snuggling going on - we've named it 'Where's Cookie?!'
