

Princess Christian Care Home celebrates Afternoon Tea Week

On Thursday 10 August we celebrated Afternoon Tea Week here at Princess Christian Care Home.

Our residents enjoyed **tea in traditional china cups and saucers**, with a delicious selection of **tempting cakes** to choose from, from Battenberg to Bakewell tarts!

We welcomed the amazing **musician Jonny Quatro** to sing for us, much to the delight of our ladies and gents who sang along to all their favourites and some danced too.

Our Activities Team also performed the Abba song '*Dancing Queen*' (including all the moves!) and got a good round of applause from everybody.

Thanks for a wonderful afternoon Jonny – we look forward to your next visit.
