

Princess Christian Care Home celebrates St Georges Day

Here at Princess Christian Care Home we had a lovely day on Friday 23 April celebrating St George's Day with our residents.

We decorated our gazebo with flags and sat outside in the afternoon, where we took part in a **St George's Day quiz** and enjoyed **scones with jam and cream**, washed down with tea and coffee.

Our residents had a great time **dressing up** and **taking photographs** and even Totty our cat posed for her picture.

Some of our residents even challenged our staff to a sword fight! But don't worry, no injuries to report as our swords were cardboard! Phew!

Sword fight fun!
