

Princess Christian Care Home hosts Classic Car Show

On Sunday 11 September we enjoyed an amazing afternoon here at Princess Christian Care Home as our Activities Team had organised a Classic Car Show for our residents.

An array of stunning cars arrived at the front of our Home for everyone to enjoy and admire. There were some true classics, including a **Rolls Royce, Rover, Riley, MG, Chrysler** and **The Sheriff Car** brought in by Christine our Activities Manager. *Such an impressive sight!*

Our residents enjoyed **walking around looking at the cars and having their photos taken**; some of them reminisced about the cars and enjoyed sitting in them for a full hands-on experience!

A family member played the guitar and sang in the background during the event, to give more of a relaxed feel to the whole afternoon, which was wonderful. Such an interesting and fun event, enjoyed by everyone – *with some lovely big smiles on our residents' faces.*

We'd like to say a very big 'thank you' to everybody who kindly brought their cars in for the afternoon, it was very much appreciated by us all.
