

Princess Christian Care Home hosts mini Olympics

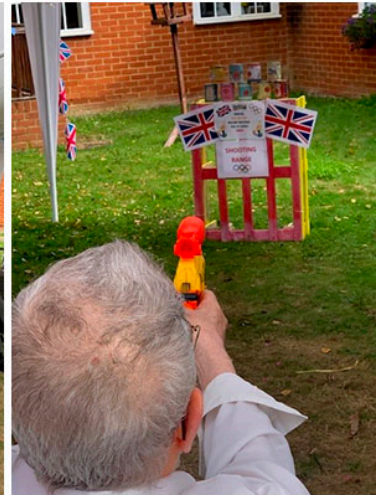

On Thursday 5 August our residents at Princess Christian Care Home enjoyed their very own mini Olympics!

We played bean **bag toss**, **balloon volleyball**, **boules** and games of '**ball in the bucket**' – *Tokyo would have been proud!*

We also put on a **shooting range outside in our gazebo** where we used nerf guns to shoot at targets. Such brilliant fun and our chaps thoroughly enjoyed the Olympic challenge!

Everyone had a super day and to finish it off we **presented all our athletes with medals and certificates for participation** ... they even got to hold the **Olympic flame!**

Shooting for success!
