

## Princess Christian Care Home hosts wonderful VE Day party

**On Friday 7 May we celebrated VE Day here at Princess Christian Care Home – and what a great day it was!**

The rain held off as we hosted **three parties for our three Units in our large marquee outside.**

All our residents were greeted by our Recreation and Well-Being Team and our wonderful **singer Najwa**, who were all dressed up for the occasion! We had two soldiers, two land girls, plus an evacuee along with his own gas mask box.

Our ladies and gents enjoyed **dancing and singing along to well known songs**; some of our residents even performed solos themselves – well done Barry and Mick! Also our new resident Jan was queen of the dance floor, which was wonderful to see!

We served **scones with jam, cream and fresh strawberries**, plus old fashioned lemonade and pots of tea.

Everyone had fun with our '*Pin the cigar on Winston Churchill*' game, which our residents were all very good at!

Such a brilliant day for everyone to enjoy.

What a great day!
