

Princess Christian Care Home ladies enjoy a knit and natter session

Our ladies at Princess Christian Care Home love to be sociable and last week for their Ladies Club they came together for a 'knit and natter' group.

They are **knitting colourful squares to make a cosy blanket** to use on wheelchairs for trips out and about, which is a great idea.

Buttons our cat kept everyone entertained by pinching some of the wool... *but luckily it wasn't a cat-astrophe! Ha!*
