

## Princess Christian Care Home launches Cooking with Cosmin

**On Friday 11 June we were very excited to start our 'Cooking with Cosmin' classes at Princess Christian Care Home.**

Our residents **Betty, Edna, Jan and John** were suited up with **aprons and chef hats** and our **lovely Head Chef Cosmin** talked them through how to make **chocolate chip cookies**.

He was a very good teacher and our residents had great fun and giggles together preparing them.

Once cooked they were handed around the Unit and our trainee Chefs felt very proud!

*Thank you to Cosmin for his fantastic lesson!*
