

## **Princess Christian Care Home raise £1,000 for the Alzheimer's Society**

**"Thank you to everyone who helped raise money and gave their time"**

Princess Christian Care Home, located in the beautiful village of Bisley near Woking, set an ambitious fundraising target for World Alzheimer's Month and are very pleased to announce they raised £1,000. The Mayor of Surrey Heath Borough Council will join the team from the Home in presenting a giant cheque to the charity very soon.

### **Well done everyone!**

Staff worked very hard in organising a series of events from raffles and tea parties to pub quizzes and music shows. They also spent their weekends in Camberley and Woking town centres raising awareness of the disease with banners and leaflets, gathering donations to their cause.

### **Advocates for Dementia Care**

For many years, **Princess Christian Care Home** and the **Friends of Princess Christian**; a voluntary non-profit organisation of residents, relatives and staffs, has been conducting regular events promoting Dementia awareness and raising funds supporting Dementia research. They continue to do so with the help of Mrs Sylvia Stock, RGN ONC SCM NDN Health Ed Cert. Mrs Stock is a

Dementia expert and a published author, including 'The Rocky Road of Naughty Neurons', which explains the journey she and her husband embarked on when he was diagnosed with the Dementia.
