

Princess Christian Care Home receive Gold Standards Framework Platinum award

Mario Taherian receives the Platinum Award at presentation ceremony

On 17 August this year, Mario Taherian, Home Manager at Princess Christian Care home, received the wonderful news that a reaccreditation has found the Home to be of Platinum GSF status – the highest possible level of accreditation.

The National Gold Standards Framework (GSF) is the UK's leading provider of training in end of life care for frontline care staff and the amazing staff at **Princess Christian Care Home** consistently work to follow the robust GSF training systems in order to gain and retain accreditation.

Mario received the award in person on Friday 28 September at the Annual GSFCH Award Ceremony at The Ambassadors Hotel in London, and feels extremely proud of his devoted staff team.

Ms Chris Elgar, GSF Social Care Lead Assessor commented:

"We would like to congratulate you and the staff on your success and thank you for all the hard work you have put into continuing this work. As part of this growing community of care homes who have not only continued to demonstrate excellence in care, but also significant developments, with your permission we would like to use some of your work as showcase examples

of best practice to encourage and inspire others."

As one of Surrey's premier Dementia Care Homes, Mario Taherian's (Care Home Manager) unrelenting investment in his staff team and consistent training and support go to reinforce their formidable work ethic and dedication to their residents at Princess Christian.
