

## Princess Christian Care Home residents celebrate St Patricks Day

**We enjoyed celebrating St Patrick's Day on Wednesday 17 March with our residents at Princess Christian Care Home.**

Our residents helped decorate our **St Patrick's trollies** in our three Units and they certainly looked very grand! We loaded them up with Irish delights and went around handing out tasty treats which everyone really enjoyed.

We hosted an **Irish Quiz** and our residents proved to be very knowledgeable and they were quite competitive!

We also held an **Irish photo shoot** and all had a good giggle at some of our pictures!

Our ladies and gents also enjoyed some **Irish music**, but most of all they loved watching Riverdance. Activities Manager Christine tried a few steps herself for our residents and had them in fits of laughter with her efforts – *it's not as easy as it looks!!*
