

Princess Christian Care Home residents enjoy a game of boules

Boules

Last week we organised a game of boules outside at Princess Christian Care Home, while the weather was still warm.

Our residents always enjoy playing this game as it's a **great test of skill and concentration** – and everyone won a game too, so there were lots of smiles all around!

Furry friend

We made a **sea box for our Arctic-themed armchair travel last week** and **Totty the cat found it and has adopted it for her new bed!** She does have a lovely comfy bed herself, but maybe she enjoys looking at the fishes painted inside!

Totty has been having daily visits from our lovely resident Wendy, who likes to sit and cuddle with her.....*smiles and purrs a plenty!*
