

Princess Christian Care Home residents enjoy a visit from Elvis

Last Friday we had a visit from Elvis Presley himself here at Princess Christian Care Home!

He stayed for the day and helped our Activities Team with **Cooking Club** and a lovely **singalong** in the afternoon.

During Cooking Club we made **chocolate muffins topped with chocolate fondant** – *and then naturally Elvis had to put a picture of himself on top too!*

Elvis then went upstairs where he joined in with our residents **eating doughnuts and drinking milkshakes** while singing and dancing along to his greatest hits.

Then Elvis left the building!
