

Princess Christian Care Home residents enjoy Cooking Club

Last week as Chef Cosmin's Cooking Club, our Princess Christian Care Home residents practised their knife skills with cutting and slicing watermelon pieces.

Our resident 'Chefs in training' **Bruce, Brian, John** and **Patricia** got stuck into the task and enjoyed producing the bowls of sliced melon for everyone at our Home to enjoy. They also enjoyed eating lots of the delicious fresh fruit themselves – *a perk of the job!*

They were each presented with a **certificate** for their participation and hard work. *Well done!*

Thank you to **Carol, Lucy** and **Hayley** for their help during the session.
