

Princess Christian Care Home residents enjoy musical day with Najwa

We had the amazing Najwa singing for us at Princess Christian Care Home on Wednesday 30 June and as usual our residents sang along and danced away!

She put on **two performances** over the course of the day, as well as chatting to our lovely residents who have all missed her over lockdown.

Our Recreation and Well-Being Team member **Ross** also sang a couple of duets with her and what a great job he did!

It's always lovely to have Najwa visit as she **radiates happiness and joy** wherever she goes.

We look forward to seeing her on our Caribbean Cruise day.

Making friends...

Our lovely residents **Jan and John** met a new friend this week whilst walking out by our **Home** – a **beautiful horse** who they both enjoyed stroking.

We are very lucky here as we get to see all types of wildlife.

We hope this beauty trots past again soon!

We all love the joy that Najwa's music brings to Princess Christian
