

Princess Christian Care Home residents enjoy Namaste and Halloween crafts

Last week our gentlemen visited our sensory room to enjoy Namaste sessions here at Princess Christian Care Home.

What a great time they had, **relaxing and enjoying treatments** – one of our gents joked he would like to stay all day!

As Halloween is fast approaching, we made a start on our **spooky decorations** too which we'll use to decorate our Home. *Watch this space for more creepy crafts!*
