

Princess Christian Care Home residents enjoy Royal Jubilee celebrations

After weeks of preparations for the Queen's Platinum Jubilee here at Princess Christian Care Home, the long weekend finally arrived!

We had such an enjoyable four days, watching the **Trooping of the Colour**, the **Thanksgiving service**, the '**Party at the Palace**' concert and wonderful **Mall pageant** over the weekend on the television.

We celebrated on Friday 3 June with our very own **Jubilee party**, with entertainment from a fantastic duo called '**Midnight Sunset**' who dressed as the Pearly King and Queen and sang songs that all our residents would know from their generation.

Our wonderful Kitchen Team put on an **amazing buffet and truly stunning Jubilee cake**, which was delicious.

A wonderful afternoon was had by all, and what a fantastic Jubilee – we all thoroughly enjoyed ourselves!
