

Princess Christian Care Home residents enjoy sing along tea party

Party time

Last week our Recreation and Well-Being Team hosted a sing along tea party for our residents here at Princess Christian Care Home, in our garden gazebo.

Everyone had a turn at **singing with our microphone** and our lovely **Barry and Tony had a dance off** too! Both were brilliant and impressed us all with their moves.

Our wonderful **Chef Cosmin** created some **delicious cakes** for the party which went down a treat with everyone. We all had a super time!

Paul's crafts

Our lovely resident Paul has been very busy **making lots of crafty items** to sell along with his wife Janet who is also very talented.

They have donated the proceeds of their sales to our **Friends of Princess Christian** group, which is such a kind and thoughtful gesture.

A huge thank you to them both from us all at Princess Christian.
