

Princess Christian Care Home residents enjoy the company of puppy Bruno

Our Princess Christian Care Home residents enjoyed a lovely visit from Bruno on Wednesday 22 June and as usual, he melted their hearts!

It's so lovely to see what an animal can do for our ladies and gents – making them feel **calm** and **relaxed**, and most of all putting big smiles on their faces.

Thanks for coming to see us Bruno – we love making a fuss of you!

Saying hello to Bruno!
