

## Princess Christian Care Home residents enjoy VE Day photoshoot and celebration cake

**On Tuesday 10 May we celebrated our VE Day here at Princess Christian Care Home.**

The day started off with a **photoshoot** of our residents wearing **uniforms**, which were kindly lent to us by Hayley our Liaison Officer's husband Tony.

Everyone looked so smart in the selection of hats and outfits.

We then served an amazing **Union Jack sponge cake** made for us by our talented Chef Cosmin. It was covered in cream and fresh raspberries and blueberries and looked magnificent! Everyone thoroughly enjoyed their slice with a cup of tea.

**Singer Natalia** provided some wonderful entertainment as she sang for us all, and encouraged our residents to sing along to some old favourites.

*What a fantastic day!*
