

Princess Christian Care Home residents enjoy visiting Goldsworth Park

On Wednesday 27 July we took a group of our Princess Christian Care Home residents out for a trip to Goldsworth Park in Woking.

The park is a beautiful location which features a **picturesque lake**, providing walking, picnicking, miniature boating and opportunities to fish.

Our ladies and gents enjoyed a **long walk around the lake**, seeing the geese and ducks on the water as they looked for food and enjoying the fresh air and pleasant views.

After our walk, we stopped for a little snack and a drink. *We all enjoyed a great morning out.*

Enjoying the sights and sounds of Goldsworth Park
