

Princess Christian Care Home residents have some fun for Chinese New Year

On Tuesday 1 February we had lots of fun celebrating Chinese New Year at Princess Christian Care Home.

Our Home looked bright and colourful decorated with **Chinese dragons, orange tigers** and **an array of beautiful lanterns** made by our amazing residents.

We learnt lots of **interesting facts about China** during our armchair travel and enjoyed a **fun photoshoot** with our residents, who had the chance to dress up in costumes. Our lovely Activity Team also dressed up....we even had a ninja warrior!

They handed out **fortune cookies**, which some of our residents had never had before but really enjoyed! Our team also visited everyone with a **trolley full of Chinese delicacies** – from duck spring rolls to seaweed, which everybody found very tasty.

We're all looking forward to our next armchair travel destination!
