

Princess Christian Care Home residents make delicious cinnamon rolls

Yummy cinnamon rolls were the order of the day last week at our 'Cooking with Cosmin' club here at Princess Christian Care Home.

Our residents **John, Toni, Harold** and **Margaret** were joined by our helpful Recreation and Well-Being staff **Lucy, Carol** and **Olivia**, and our Head Chef **Cosmin** to roll, sprinkle and cut the scrumptious treats.

Everyone thoroughly enjoyed the session and we are all looking forward to December when we'll be creating mince pies, sausages roll and other seasonal goodies. *Can't wait!*

Our cinnamon rolls were very popular!
