

Princess Christian Care Home residents make perfect pizzas

Pizza was on the menu at our 'Cooking with Cosmin' session last week here at Princess Christian Care Home.

John, Bruce, Brian and Ameneh were our **Chefs in training** for the day, assisted by our lovely team members **Olivia** and **Liz**.

Everyone enjoyed shaping their dough and then decorating their pizzas with a selection of colourful toppings including ham, olives, sweetcorn, onion and fresh tomatoes.

All our budding Chefs received a certificate from Cosmin at the end of the session and were delighted with how their cooked pizzas turned out. *Extra yummy!*
