

## Princess Christian Care Home residents make vegetable soup

**On Friday 19 November our 'Cooking with Cosmin' Club at Princess Christian Care Home had soup on the menu!**

Our Head Chef Cosmin was happy to have such good help from our residents **John, Tony, Julio and Len**, who enjoyed peeling and cutting carrots, leeks, onions, potatoes and parsnips to make a delicious **cream of vegetable soup for supper**.

Team members **Olivia, Lucy, Sian and Carol** were on hand to help out and enjoyed spending time with our Trainee Chefs!

It was such a successful activity together and our finished soup was amazing, finished with garnish and a stir of cream on top.

*Well done everyone!*

What a transformation!
