

## Princess Christian Care Home residents sing and dance with Najwa

**We were thrilled to have a visit from our beautiful performer Najwa at Princess Christian Care Home on Tuesday 14 September.**

As always, our residents really enjoyed **singing along** with her joyful music and watching her captivating performance; some of her audience **joined in on her microphone** too.

A number of our residents and staff got up for a **dance**, including our wonderful Manager Mario, who's always on hand if there's a dance floor to be had!

A lovely afternoon of entertainment and fun – *thanks for coming Najwa!*

We always look forward to Najwa's visits
