

Princess Christian Care Home say farewell to KB

The staff team at Princess Christian Care Home said a sad goodbye to one of our Housekeeping staff, Kharga Bahadur – known as KB, on Wednesday 2 March.

KB worked for **Princess Christian Care Home** for nine years. He was reliable, caring and he always rode his bike for the six-mile journey to work in all weathers – nothing stopped him!

We are very sad to see him go but we wish KB and his wife all the happiness and good luck for their retirement.
