

Princess Christian Care Home team says a fond farewell to Ross

On Friday 22 October we said goodbye to lovely Ross from our Princess Christian Care Home Activities Team, as he is returning to his dream job back at Virgin Atlantic as cabin crew.

Ross joined us in January when all planes were grounded. He has brought **lots of love and laughter to our Home** and has formed some close **friendships** with our staff and residents.

He had a wonderful send off with a **delicious cake** from our catering team and some wonderful gifts from staff. He will be back to work bank for us when he can.

Huge thank you Ross – and remember it's not 'goodbye' but 'see you soon!'
