

Princess Christian Care Home welcomes charity singers

On Bank Holiday Monday we were visited at Princess Christian Care Home by a wonderful group of ladies from the 'Lest We Forget' Charity who perform at Care Homes where ex-servicemen and women reside.

It was a truly delightful afternoon, **singing along to wartime songs** whilst waving our Union Jacks.

Our residents said what a lovely time they'd had.

We all look forward to welcoming them back soon – *huge thank you ladies!*
