

## Romanian Day at Princess Christian Care Home

**On Thursday 7 October we held a special 'Romanian Day' here at Princess Christian Care Home.**

Our Recreation and Well-Being Team worked hard decorating our **Home** with bunting and flags, and our residents helped out too.

Our ladies and gents also enjoyed some **Romanian crafts** including wooden spoon painting – *we certainly had some colourful designs!*

Our Head Chef Cosmin worked with his team and supplied a very **tasty buffet** and our lovely Romanian colleagues **Doina** from our laundry and **Ionela** from our Care Team also cooked and brought in delicious traditional foods for everyone to try, including;

- Sarmale (cabbage rolls with meat, rice and spices)
- Mici (a mix meat of pork, beef and spices)
- Beans stew with sausage
- Stuffed peppers
- Polenta with cheese
- Cozonac (sweet bread with walnuts and Turkish delight)
- Non alcoholic lemon beer and pear juice

Our Romanian staff also proudly **dressed up in Romanian outfits**, which some of our residents had great fun trying on. *Our Manager Mario looked quite dapper in a traditional waistcoat!*

***A huge thank you to everyone involved in making the day really special.***
