

Sandwich creations with Cosmin at Princess Christian Care Home

Our latest popular 'Cooking with Cosmin' session took place on Friday 8 October here at Princess Christian Care Home.

Cosmin and some of our Recreation and Well-Being Team helped 'Trainee Chefs' **Betty, Tony** and **Laurence** construct some **delicious sandwiches** – preparing and chopping the different fillings to make sandwich platters fit for kings!

They had a great time together and by the end of the class, half the sandwiches had been eaten! *The true sign of some top quality sarnies!*
