

School chums and Sunshine Choir at Princess Christian Care Home

School chums

We received a lovely letter from our friends at Bright Horizons Preschool in Woking recently here at Princess Christian Care Home.

The children had copied **pictures of our pets** that we had sent them and what a fabulous job they made!

Our lovely residents enjoyed looking at them and are already making some **Christmas crafts** for the children to hang on trees. The children are also busy making cards for our dear residents.

Sunshine Choir

We hold a weekly **Sunshine Choir** and this has proven to be a very popular activity with our ladies and gents.

This week, we started **practising Christmas carols** ready for the festive season, as we hope to sing for our relatives – so *watch this space!*
