

Spanish Day celebrations at Princess Christian Care Home

Arriving in sunny Spain last week at Princess Christian Care Home, we started our adventure off with an amazing Spanish lunch, whilst listening to Spanish music.

We hosted a **Spanish quiz** for our ladies and gents in the afternoon and we all had great fun dressing up in Spanish clothes, whilst shaking our **maracas** and clicking our **castanets** – lots of photo opportunities to be had!

Our team went around with our **Spanish trolley laden with tasty tapas and refreshing sangria** which was enjoyed by all.

And what Spanish Day would be complete without some of our Recreation and Well-Being team trying their hand at **Flamenco dancing?!much to everyone's delight. Olé!!**

Spanish Day fancy dress fun!
