

The Wild West comes to Princess Christian Care Home

Last week at Princess Christian Care Home our theme was 'Western fun'!

We played **cowboy noughts and crosses** with hats and sheriffs badges and the winner had to shout out 'Yee ha!'. Our residents had a great time playing this and even Buttons our Home cat wanted to join in!

On Friday we **made biscuit sheriff badges and horseshoe treats** and then had fun decorating them with rolled yellow icing and coloured icing pens. Everyone enjoyed tucking into them with afternoon tea.

Our lovely ladies and gents also enjoyed playing **Wild West Bingo**, with themed picture cards which was great fun.

In the afternoon we welcomed **Country and Western singer Elenor** who entertained us all brilliantly with some fantastic music and we all wore our cowboy hats, sheriff badges and sang along – a great time was had by all!

We are now preparing for our 60s afternoon – *watch out for beehive hair and treats from the past!*
