

Three helpings of birthday cake at Princess Christian Care Home

We have celebrated a trio of birthdays here at Princess Christian Care Home recently.

First we had our lovely **Margaret** and **Connie** who both celebrated their birthdays on Saturday 23 March. Margaret turned 85 years young and Connie was 93 years young and both were delighted to receive a stunning birthday cake prepared by our amazing Chefs. They enjoyed celebrating with their families, fellow residents and our team members.

Next was our dear **Lynda** who celebrated her 71st birthday on Tuesday 26 March. She too was presented with a delicious birthday cake and celebrated with our colleagues and other Princess Christian residents.

Many happy returns to our three lovely ladies!
