

## **Truffle cuddles and Christmas trees at Princess Christian Care Home**

### **Fluffy cuddles**

**Our lovely new resident here at Princess Christian Care Home, Elvira, was given a very warm welcome from our cuddly home cat Buttons who made her feel at home recently.**

We also had Truffles our rabbit in for her daily brush and she spent time giving out furry hugs before she went back to carrot cottage; its wonderful how our pet family make our residents so happy.

### **Trees a plenty**

We were delighted received a donation of a real tree this week and our lovely resident Carol spent time decorating it for us and it looks wonderful!
