

Valentines Day celebrations at Princess Christian Care Home

For Valentine's Day at Princess Christian Care Home, we invited an amazing singer into our Home called Paul to entertain us all. Our residents enjoyed a wonderful singalong and some even got up to boogie.

We were also treated to a stunning mirror glaze Victoria sponge cake, doughnuts and pastries, full of love, prepared by our wonderful Catering Team:

We decorated a table full of heart balloons and filled it up with hearts of all sizes and a poem – encouraging everyone to help themselves.

Our residents also made salt dough hearts and painted them. Their finished pieces looked super! All in all, love was truly in the air!
