

Valentines Day fun at Princess Christian Care Home

Love was in the air on Monday 14 February here at Princess Christian Care Home!

Our Valentine's Day was full of activities, including some lovely **singalongs**.

Our residents really enjoyed cutting out and painting **salt dough hearts** to give to their loved ones. They also **decorated fairy cakes** to enjoy with their cups of tea in the afternoon. *How civilised!*

We all had fun taking some **Valentine's selfies** with lots of hearts and roses as props.

All our wonderful residents had a really special day.
